

CORNER 6

DOBLE INPUT TABLE

The aim of this corner is to work on the vocabulary relating to pirate ships.

Peter Pan arrives at Pirate Hook's ship and he finds a lot of objects there.

This corner will help children recognise these objects. They will have to classify them by numbers.

DURATION

10 minutes

DIFFICULTY

Low

SKILLS

- Listening
- Communication

OBJECTIVES

- To learn the numbers in the play
- To work with the key vocabulary of the play
